BLOODY MARY?

#129 BROTHER of Bloody Mary? Fugitive from a Chainsaw Massacre? One of 2000 Maniacs?

Nope. If you don't know the dope on this guy, try this scrambled sentence. Unscramble it correctly and you'll have the title of the picture in which he was in the state pictured to right. (Hint:the state was not Ghoulorado but might have been Maim.)

HEH SHAVE TILL EYES.
